Introduction

Strategy Name: Cultivate Relationships

Quantum Value: 100

Quantum Status: Celebration

Quantum Repetition: Now,Daily,To infinity and beyond,Occasional,Incidental

Quantum Duration: As desired.

Summary: No longer wander around in life without a goal or uplifting people in your circle to reach your goals.

To feel the love, share the love.

Why not: You desire isolation for the moment.

Then again, even in isolation some contact is required. Might as well be as efficient about it as desired.

Why yes: Happiness is more real when shared.

How do we do this?: Let's talk about it. :)

What must be done?: Have a conversation.

When can it be done?: Anytime.

Where can it be done?: Anywhere.

Whom to involve?: You and me.

How much costs and benefits?: \$ 7 for the Relationship Dossier blueprint

\$ 77 for installation of the Blueprint in your personal VobeSoft environment

\$ 111 for an hour + 1 bonus hour of personal guidance through these templates
